3. FOREWORD BY THE PRESIDENT

Name: Mr Barend Smit
Title: President

In my position as President, it is a pleasure to provide the following overview of SACLAP's activities for the 2015 / 2016 financial year.

During this year, the lack of appropriate funding for the Council already highlighted in the previous year, had forced a scale down of activities. The Council focussed on its primary mandates, i.e. to provide for the registration of professionals, candidates and individuals in specified categories who practise within the field of landscape architecture, and to manage all aspects surrounding the mandates set out in the Landscape Architectural Professions Act, Act 45 of 2000. In this regard, it should be noted that the bulk of the Registered Professionals' submitted their CPD reports during this financial year, which were processed and new Registration Certificates were issued within the programmed timeframe. This is testimony to the commitment of the Registrar and the Administrator to keep the Council functioning.

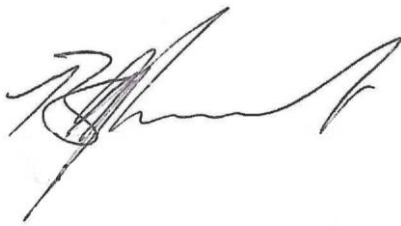

The implementation of the new proposed categories of registration under SACLAP remains fundamental to both the building of landscape related professions within the built environment as it is to ensuring a sustainable green future for South Africa, and to improve the sustainability of the Council in the long term. Great strides were made to further the process towards the implementation of the new proposed categories of registration. It is anticipated that the process of bringing the category of Landscape Managers as a new registration category, will be finalised before the end of this Council's term.

Towards the end of the financial year the Council received much needed funding from DPW to meet shortfalls in the operational budget, for which we are grateful. However, for SACLAP to enable its necessary growth and development, the Council has to amend the Strategic Plan for submission to the DPW with the hope that through this plan, further funding will be made available. This engagement is still ongoing, and SACLAP still relies on practising professionals (Council as well as committee members) to carry out Council activities such as Council and Executive Committee meetings, registration of candidates and professionals, accreditations, Continued Professional Development (CPD), etc. on a voluntary basis.

SACLAP acknowledges transformation as a national imperative, and is confident that the new registration categories will be a catalyst for enabling better transformation.

The Competition Commission (CC) concluded on the two matters affecting SACLAP, viz. the Identification of work (IDOW) and the publishing of the professional guideline fees. In both matters, the CC did not find in the Councils favour, and as this directly affect the need to register Professionals and it has a significant impact on the livelihood of the Council and the Profession. In fact, this is true for all six the Build Environment Professional Councils. These matters are now further pursued under the leadership of the Council for the Build Environment (CBE), and could hopefully be resolved in the near future.

I would like to thank all the stakeholders that participate in SACLAP and particularly the Council Members that continue to believe in the growth and development of the Profession and the Council. I look forward to the next year bringing about the much anticipated growth and development that is needed, and SACLAP is committed to continue its strategic links with DPW, CBE and other BEPCs.

President
Mr Barend Smit

30 June 2016

4. REGISTRAR'S OVERVIEW

Name: Mrs Bernadette Vollmer
Title: Registrar

- i. General financial review of the SACLAP:
 - o SACLAP is the smallest of the BEPCs constituted in terms of an Act of Parliament, The Landscape Architectural Professional Act, Act 45 of 2000.
 - o In light of the mandates set out in the Act versus the income that the Council generates, the monies received are insufficient to fully carry out the comprehensive mandate of the Act.
 - o SACLAP was fortunate to receive a small amount of money to tie the Council over in its operational costs for this financial year.
 - o The much needed gap funding, ring-fenced to expedite the growth of the Council, was unfortunately not received and negotiations regarding this continue with DPW.

- ii. Spending trends of SACLAP:
 - o SACLAP has always been very conscious of its financial status and has, historically, developed a small saving. However, the trend of tapping into these savings has largely depleted the accumulated reserve.
 - o The main reasons for this, is that the hours that the part-time Registrar is spending on SACLAP business continues to increase as the Council tries to grow to bring about financial stability and also continues to participate at beneficial forums in terms of engaging on matters that affect the profession.

- iii. Capacity constraints and challenges facing the SACLAP:
 - o Due to the nature of the Council, there has not been a need to grow the capacity of the Registrar's office in terms of appointing individuals for specific purposes such as finance, internal auditing and registration administration. This will however change in the foreseeable future when the new categories of Registration are implemented.
 - o The ability to increase the resources in the Registrar's office is captured largely in the proposed gap funding.

- iv. Discontinued activities / activities to be discontinued:
 - o The Council developed a very ambitious Strategic Plan and Annual Performance for the 2014/2015 year. Due to the resourcing constraints, numerous activities did not take place or were completed. This includes the establishment of the new registration categories, the finalisation of an amended CPD and VA document amongst others.

- Due to the financial constraints faced by SACLAP in this financial year, the Council decided not to review the Strategic Plan and prepare an Annual Performance Plan.

- v. New or proposed activities
As the Council was battling to complete the existing activities, no new activities were planned or undertaken in this financial year. The Council opted to strive to conclude outstanding matters and identified numerous policies that needed revision within the remaining Council term of office.

- vi. Requests for roll over of funds
As the Institutional assistance of SACLAP from DPW was only received in February 2016, less than two months from the financial year end, a portion of this money will be rolled over into the 2016/2017 financial year. The DPW were informed accordingly.

- vii. Supply Chain Management (SCM) policy
SACLAP has a supply chain management policy in place since November 2015. In this financial year the Registrar's office began to implement the policy.

- viii. Audit report matters in the previous year and resolutions
 - SACLAP does not have an Internal Audit committee but has a Finance committee that oversees the financial administration.
 - The Registrar prepares the budget which is reviewed by the Finance Committee and ratified by the EXCO and Council.
 - The Secretariat provides support on bookkeeping and financial matters.
 - An annual financial audit, as required by the Act is undertaken each year by independent, external auditors.
 - The annual financial audit for 2015/2016 is not qualified. A copy thereof is appended to this document.

- ix. Outlook/ Plans for the future to address financial challenges
 - As stated above, SACLAP is in the process of establishing an expanded base of registration categories. This process continues and is taking much longer to complete than initially anticipated. It is anticipated that the new registration categories will be implemented within the first half of the next financial year.
 - Numerous accreditation visits are scheduled for the coming year.
 - Funding is also being sought for specific activities from DPW and CBE to bring about the much needed growth in capacitating and resourcing the Registrar's office.

- x. Events after the reporting date
Nothing to report.

- xi. Economic Viability
 - As stated above, SACLAP has a very small income base and all savings have largely been depleted.
 - It is therefore imperative that SACLAP finds mechanisms to address the shortfall for future financial sustainability.

xii. Acknowledgement/s or Appreciation

The Registrar acknowledges with thanks, the current Council (2013-2017), the Committees, and the relevant stakeholders for the ongoing support and contributions to grow the landscape professions despite the challenges it contends with.

Registrar
Mrs Bernadette Vollmer

6. STRATEGIC OVERVIEW

Due to the financial constraints of Council, the Council took a decision not to undertake a Strategic Review in this financial year. The Strategic Plan as prepared in February 2014 stands and the following is recorded in terms of such.

6.1. Vision

Serving the public by ensuring that landscape architectural professionals are suitably skilled to provide services that are based on sound planning principles for sustainable built and natural environments, keeping health, safety and welfare of the community foremost in mind.

6.2. Mission

SACLAP strives to establish, direct, sustain and ensure a high level of professional responsibility and ethical conduct within the art and science of the landscape professions with honesty, dignity and integrity that is in the broad interest of the public in terms of the cultural, environmental and economic context of South Africa, keeping health, safety and welfare of the community foremost in mind.

6.3. Values

No specific value statement formed part of the 2013/2014 Strategic Plan. This was addressed in the revision of the Strategic Plan by the Incoming Council.

7. LEGISLATIVE AND OTHER MANDATES

The South African Council for the Landscape Architectural Profession (SACLAP), governed by the Act 45 of 2000, provides for the:

- establishment of a juristic person to be known as the South African Council for the Landscape Architectural Profession;
- registration of professionals, candidates and specified categories in the landscape architectural profession;
- regulation of the relationship between the South African Council for the Landscape Architectural Profession and the Council for the Built Environment; and
- matters connected therewith.

As part of the quarterly reporting undertaken by SACLAP to the CBE, the key mandates are identified and reported on. Please refer to Annexure 1 for the final report for the 2015/2016 year.

8. ORGANISATIONAL STRUCTURE

SACLAP does not have an organisational structure as it operates with a part time Registrar, aided by a part time assistant.

This will however need to be addressed as and when the need arises.

PART B: PERFORMANCE INFORMATION

1. AUDITOR'S REPORT: PREDETERMINED OBJECTIVES

According to the National Treasury, the BEPCs are not defined as public entities, implying no compulsion to comply with the Public Finance Management Act No 1 of 1999, (PFMA). Therefore, SACLAP does not appear on any of its schedules.

The status is that submissions requesting clarification on PFMA reporting and compliance were made in October 2012, but to date no response has been received from either the National Treasury or DPW.

For the reasons stated above, this section in terms of the performance review is not completed.

2. SITUATIONAL ANALYSIS

2.1. Service Delivery Environment

2.2. Organisational environment

Not applicable

2.3. Key policy developments and legislative changes

Not applicable

2.4. Strategic Outcome Oriented Goals

Not applicable

3. PERFORMANCE INFORMATION BY PROGRAMME/ ACTIVITY/ OBJECTIVE

SACLAP did not prepare an Annual Performance Plan.

As stated above, SACLAP is a very small Council with significant budgetary constraints. The Strategic Plan therefore largely aligns with the meeting of the Council mandates and does not focus on expanding on any items unnecessarily.

i. The continuation of the development of the new categories of registration:

- a. This is a project that was started in 2009 and should be concluded in 2016.
- b. The purpose of the project was to expand the base of registered professionals and candidates.

ii. The development of a sustainable profession:

- a. The Strategic Plan for the in-coming Council for the term 2013-2017, was developed in February 2014 and reached completion in May 2014. Subsequently, SACLAP was advised that the format thereof had to be amended in order to bring it in line with the National Treasury Requirements. It is anticipated that this will be undertaken early in the next financial year.
- b. The Strategic Plan will be revised to set out the road map for establishing a more sustainable profession. The programmes set therein were not taken any further as the funding required was not received.

iii. Development of a discipline specific Occupational Health and Safety Guideline:

- a. The terms of reference were established and agreed to by Council. Based on this a service provider was sourced to provide the desired outcome.
- b. This project was concluded in May 2014. A copy of this document can be made available upon request.

4. Revenue collection

- ** The workshop amount was under due to the fact that Council decided to offer the workshop free of charge to the candidates in order to encourage greater participation in the Professional Registration Assessments.
- *** The accreditation visit to CPUT was not foreseen when the budget was determined.

4.1. Capital investment

- SACLAP does not have a capital, investment and asset management plan. The intention is to establish such a plan going forward.
- No major infrastructure expenditure took place in the year as SACLAP only has one computer and rents office space.
- The maintenance cost to the existing infrastructure is negligible.
- SACLAP does not have an asset register.

PART C: GOVERNANCE

1. INTRODUCTION

As per Part B1, SACLAP is not listed as a PFMA entity and therefore does not align itself to that at this stage.

SACLAP participated in the CBE's drive relating to the Corporative Governance Framework of the CBE. A very informative session was held in October 2014. The outcome of this process and SACLAP's compliance to such has been separately documented and can be made available upon request. SACLAP continues, where possible to put systems and structures in place to augment the governance of the Council.

2. PORTFOLIO COMMITTEES (if applicable)

SACLAP did not attend any engagements with the Portfolio Committee as none were scheduled in this financial year.

3. EXECUTIVE AUTHORITY

As the Minister of DPW is seen to be the Executive Authority, SACLAP reports that it held meetings with the Department representatives in this reporting period.

The Registrar and the President of SACLAP was invited by Mr Mfezeko Gwazube, then Technical Advisor to the National Minister of Public Works to a briefing meeting on the 10 June 2015. The urgent matter on funding of SACLAP was discussed at this meeting.

On the 26 August 2015, SACLAP received communication from the DPW on funding earmarked for SACLAP for 2014 – 2015, 2015-2016 and 2016-2017 financial years.

It should be noted that the funding to SACLAP came through in February 2016, and activities planned for the 2015 – 2016 were put on hold and were subsequently resumed after the actual monies were received.
