

## WE ARE HIRING!

### EMPLOYMENT OPPORTUNITY FOR LANDSCAPE ARCHITECT OR LANDSCAPE TECHNOLOGIST

VIRIDIAN CONSULTING LANDSCAPE ARCHITECTS  
SOMERSET WEST, CAPE TOWN

Viridian Consulting Landscape Architects is seeking to employ a self-motivated Landscape Architect or Landscape Technologist seeking employment and valuable experience in all aspects of Landscape Architecture in South Africa. **Two positions** have become available, and we are seeking applications for new members to join our team in March/April 2024.

These are full-time positions (either remote or at our Somerset West Head Office) that requires availability 5 days a week during SA office hours. We are a highly motivated Team on the rise, and preference will be given to those who align with our vision and ethos.

Our team consists of remotely located members as well as personnel at our Head Office. Our Director and Management team is located at the Head Office with team members in national and global locations.

Qualities we look for in candidates include:

- o a pro-active mindset that welcomes learning, adaptability and innovation;
- o the ability to work time-effectively and time-consciously;
- o an aptitude for producing good results under pressure;
- o self-motivation and self-awareness;
- o a work-ethic that favours honesty, integrity and dependability.

Suitable candidates hold the following qualifications:

- **Tertiary qualification** (BL(Hons) / MLArch / BTech or equivalent);
- Proficiency in AutoCAD, the Adobe suite, MS Office and Sketch Up;
- Language proficiency in **English**;
- **Salary negotiable** (based on individual-specific skills and level of experience, please provide an indication of salary expectation & notice period requirements).
- Preferably a valid driver's license and **own transport** to facilitate site visits and meeting attendance.
- Applicants must be **registered SACLAP Candidates or Professionals**

Please submit your CV and portfolio to **Rene Maria Brett** at [rene@viridian.co.za](mailto:rene@viridian.co.za)

**DESIRED COMMENCEMENT DATE – MARCH / APRIL 2024**  
Applications are **OPEN** and will be accepted until **6 March 2024**
