decorex^{sa}
- durban -

Attending Decorex Durban as a trade visitor is a cost effective and time efficient way to source and grow your network of **reliable and high-quality suppliers** for residential, hotel, architecture, interior design/decorators and in product design: finishes and textures from **over 200 exhibitors**.

Take full advantage of all of the added benefits that the in the trade programme has to offer:

- Save time by meeting and doing business in one place with a range of high-quality suppliers of your choice.
- Keep up-to-date with the latest industry trends and innovations.
- Network with industry peers.
- Gain access to free seminar talks and earn CPD points at the InStudio Trend Theatre
- Experience the 2019 trends design and decor trends at the Decorex Urban Living Trend House.
- Members from the illustrious African Institute of the Interior Design Professions (IID) will reflect the mood and tone of the continent in a series of artful installations.
- Experience a sensory journey of the designs taking over Tokyo, Paris, Milan, New York & Africa at the Global Trends feature.

TRADE VISITOR FEEDBACK

“The beauty of shows like Decorex is that – at these events – you have direct access to the owners / Highest decision makers in various companies. The same people who will be too busy to meet with you – outside these events – will engage with you at such events” - Trade Buyer
