

# Landscape Architect Position at Niall Montgomery + Partner, Dublin, Ireland

[www.nmparchitecture.com](http://www.nmparchitecture.com)

**Niall Montgomery + Partners** is looking for the following designer to join our team in Dublin, Ireland:

- **Experienced Senior Landscape Architect (Minimum 8 years' experience)**

We are a boutique award-winning architecture and landscape architecture practice with over 75 years of experience. Our team consists of energetic, talented and passionate designers.

We work on projects that are highly diverse in typology, scale and geographic range. Projects include: exciting regeneration and mixed-use developments in Ireland and UK, large scale international master planning projects in China, the Middle East and the Americas, hotels and resorts in the Mediterranean, all pushing the boundaries of sustainable design. We like to see things get built and see through most of our projects to construction.

We are looking for the following in candidate:

- A recognised qualification in Landscape Architecture or Architecture
- Extensive experience in conceptualisation, detailed design, construction detailing & tender documentation
- Site experience including dealing with design- & construction members is essential
- Ability to communicate well in English (written and verbal)
- Ability to mentor, take instruction, delegate & work on own initiative
- Ability to lead multiple projects at any one time
- Ability to compile, write and review reports at all stages of design
- Ability to work collaboratively within a multi-disciplinary team and with clients directly
- Required software skills: AutoCAD, Revit, Adobe Suite & MS Office (SketchUp & Lumion advantageous)

Salary negotiable and dependent on experience.

To submit your application, please forward your CV & project portfolio to [herman@nmp.ie](mailto:herman@nmp.ie). The portfolio must also clearly show your aptitude for construction detailing.
