

Digital Built Environment Technology Showcase & Awards

RECOGNISING EXCELLENCE. DRIVING TRANSFORMATION.

21 OCTOBER 2026

UJ SOPHIATOWN RESIDENCE
KINGSWAY AVE, AUCKLAND PARK, JOHANNESBURG

09:00 – 14:00

— TECHNOLOGY SHOWCASE & EXHIBITION —

Discover the technologies, ideas and solutions shaping the future of the built environment.

Discover the latest innovations shaping the future of the built environment at the DiBETSA 2026 Technology Showcase & Exhibition.

The exhibition provides a platform for organisations to showcase digital technologies, products, research and projects that are advancing the built environment. Alongside the exhibition, visitors can attend presentations and engage with new ideas that are driving digital transformation across the industry.

The Technology Showcase & Exhibition is CPD accredited, allowing registered professionals to earn valuable CPD points while attending.
